So did you really "release" it? Or are you just complaining again?

Some Dems with little major elected office experience see Trump and think "Why not me?" But to Dem electorate, Trump is exactly why not them

With Dems seeing Trump as beatable, a slew of prospective 2020 candidates are courting donors & laying \$ groundwork. [nytimes.com/2017/09/02/us/...](http://nytimes.com/2017/09/02/us/...)

Obama had only 3 years in the senate. Lincoln had only one term as US Rep. IMO, Trump's prob is Trump. Experience wouldn't help.
